Cool Melons--Turn to Frogs! (2nd Edition)

The Life and Poems of Issa

Matthew Gollub, Kazuko G. Stone

Summary

For hundreds of years, school children in Japan have been introduced to poetry through the work of Issa. Born in 1763 on a farm in central Japan, Issa began writing poetry as a young child, inspired by his deep love for the natural world. Later in his boyhood and throughout his life, poetry was also Issa's refuge in times of joy and in times of suffering. Matthew Gollub's poignant rendering of Issa's life and over thirty of his best-loved poems, along with Kazuko Stone's sensitive and humorous watercolor paintings, make *Cool Melons* a classic introduction to Issa's work for readers of all ages. With authentic Japanese calligraphy, a detailed Afterword, and exhaustive research by both author and illustrator, this is also an inspirational book about haiku, writing, nature, and life.

Ten Oni Drummers

Matthew Gollub, Kazuko Stone

Summary

In this playful, rhyming picture book, a child learns to see monsters as his friends who chase away spooky dreams. Alone on a beach, in Japan, the boy sees a tiny oni creeping up from the sand. Soon there are two, then three of the colorful goblins, each with its own number written in kanji on its back. The cumulative counting chant begins: "Ichi, ni, san-tun-tun. One, two, three, around they run!" As they beat their taiko drums they grow bigger—and more numerous. They carry on wildly, devour their dinner, smiling with crooked fangs and red eyes. What will they do with their very largest drum once all ten towering oni are assembled? With bright watercolor paintings, Stone draws on the folk culture of her native Japan to portray the monsters as both frightening and funny. The author's note further introduces Japanese taiko, oni, and kanji. A chart at the end shows how to draw and pronounce the Japanese numbers one through ten, symbols understood not just in Japan but in China and Korea too! Also available in a Spanish-English bilingual edition.

Contributor Bio

Matthew Gollub is a nationally known children's author, speaker, and performer. He has created 18 picture books which together have garnered 25 national awards and distinctions. His experiences living overseas, and his knowledge of Spanish and Japanese language, have inspired several of his most popular works including *Cool Melons—Turn to Frogs!* and *Jazz Fly 2: The Jungle Pachanga*. **Kazuko G. Stone's** books for children, many first published in her native Japan, have captivated readers worldwide and garnered numerous awards both in the United States and abroad.

Japan - Culture Smart! (3rd Edition)

The Essential Guide to Customs & Culture

Paul Norbury

Summary

Culture Smart! Japan will guide you through modern Japan's shifting social and cultural maze. It provides invaluable insights into people's attitudes and behavior, and practical tips to help make your visit to this complex, rich, and dynamic society a mutually rewarding experience. Today Japan is at a crossroads. The postwar economic miracle is over and the balance of power in Asia is shifting as new players enter the field. The bedrock of traditional Japanese culture—its remarkable resilience, coherence, and consensus-based philosophy, underpinned by many protocols—until recently regarded by some as a hindrance, is starting to look like a virtue in a world of accelerating change. Japan remains the world's third-largest economy and one of the most attractive and secure destinations for investment. The younger generation is outward-looking, Japanese women have a new confidence, and the country's technical and scientific research capability is as good as it gets. Japan continues to excel at innovation in technology and the "new" sciences, and is among the world's largest funders in res...

Contributor Bio

Paul Norbury has been closely associated with Japan and Asian Studies as publisher, editor, and author since the early 1970s, principally through his various imprints: Paul Norbury Publications, Japan Library, Global Oriental, and most recently Renaissance Books. In 2003 he received the Japan Society Award, in 2011 the Order of the Rising Sun (Japanese government), and in 2013 the Order of Civic Virtue (government of the Republic of Sakha/Yakutia). He is also the author of *Culture Smart! Britain*.

Feeling Elf Cards & Games

Elizabeth Crary, Peaco Todd

Summary

Full-color elves grin, grimace, groan and gesture through 20 emotions to help children learn how to identify and express such different feelings as pride, anger, excitement and disappointment. Each elf appears on two cards; one is printed with the emotion's name in three languages — English, Spanish and Japanese. The corresponding cards use only elves, so the cards can be used in matching games like Old Maid and Go Fish. Designed for use in emotional literacy lessons, in rehabilitation therapy and in foreign language and English as a Second Language classes. Appropriate for both genders and all ethnic groups. Approved by the California Department of Education for supplemental use in the classroom.

Contributor Bio

Elizabeth Crary is the award-winning author of more than 40 children's and child-guidance publications. She has taught parenting education, with an emphasis on problem-solving and skill-building methods, and established Parenting Press in 1979. She lives in Seattle. Peaco Todd is an illustrator, author, and cartoonist. She is the illustrator of Family Matters, Teaching Conflict Resolution with the Rainbow Kids Program, Talk It Out, and The Ultimate Guide to Transforming Anger.

Kikuchi's Sushi

Myung Sook Jeong, Sul Hee Kook

Summary

Fox loves looking out over the village from his forest home, but he gets curious when he sees that Kikuchi’s sushi restaurant always has a line out the door. Sushi must be delicious. When Fox goes to investigate, Kikuchi teaches him all about sushi—how to prepare rice for it, how to catch fish for it, and, most important, how to eat it! Adorable illustrations portray Fox’s story, and pages in the back provide added information about sushi and Japan.

Contributor Bio

Myung Sook Jeong has worked as a reporter in Australia and has written poems, fairytales, and picture books while traveling worldwide. Her other books include *Seeing World History Through Painting*, *First Step Art*, *First Step World History*, and *National Treasure Story*. **Sul Hee Kook** studied western painting in college, and has shown work in exhibitions. Her works include *Oh, Back Off Now*; *The Dream That Fly in the Sky*; *Let’s Share a Warm Feeling*; *Yellow Mailbox*; and others.
