Colorful Wyoming Coloring Journal
Amanda Lenz

Summary
These sixty-five beautifully crafted illustrations will inspire readers to connect to nature and unwind. Uplifting nature quotes refresh and inspire, while brief nature facts on the spread’s flora and fauna provide extra insight into some of the state’s gems. Added white space on the left side of each spread allows for writing, journaling, or freehand drawing. Each spread’s unique and artful illustration combined with the reader/artist’s coloring create a piece that can be proudly displayed on a wall or refrigerator. Whether you are a Wyoming resident or visitor, this journal keeps you connected to the state you love.

Once Upon a Boyhood Life on a Colorado Farm During the Great Depression
Robert Forbes

Summary
This story of the trials and triumphs of a boy growing up on a Colorado farm during the Great Depression highlights the importance of strong family ties and friends who lived by the Golden Rule. In addition to revealing personal experiences and family history, the author has given the reader a unique glimpse into the life styles and moral standards of those who lived in rural Colorado during the era of the Great Depression. Changes in methods of food production and advances in technology and medical services are witnessed through the eyes and understanding of a boy growing up at that time.

Contributor Bio
From the humble experience of growing up on a subsistence farm in Colorado, author Bob Forbes received his degree in Mechanical Engineering from UW-Madison and a commission as Ensign in the U.S. Navy. He spent the next twenty years in the aircraft/aerospace industry and became the Assistant Chief Engineer of the company that developed special ignition devices for all the manned Apollo space flights to the moon. At age forty, he and his family returned to the University of Wisconsin in Madison where he received a master’s degree in Educational Administration and served in various administrative positions and taught some seminars on management. After retiring in 1991, he served on several boards of non-profits including the Second Harvest Foodbank, Bethel Horizons, Harvest of Hope and Friends of Schumacher Farm – all in or near Madison, Wisconsin.

The Black West (Revised)
A Documentary and Pictorial History of the African American Role in the Westward Expansion of the United States
William Loren Katz

Summary
This entirely new edition of a famous classic has glorious new photographs—many never before seen—as well as revised and expanded text that deepens our understanding of the vital role played by African American men and women on America's early frontiers. This revised volume includes an exciting new chapter on the Civil War and the experiences of African Americans on the western frontier. Among its fascinating accounts are those explaining how thousands of enslaved people in Arkansas, Missouri and Texas successfully escaped into the neighboring Indian Territory in Oklahoma. These runaways inspired the idea eventually adopted as the Emancipation Proclamation, which freed slaves within the states that were in rebellion. Inspired by a conversation that William Loren Katz had with Langston Hughes, The Black West presents long-neglected stories of daring pioneers like Nat Love, a.k.a. Deadwood Dick; Mary Fields, a.k.a. Stagecoach Mary; Cranford Goldsby, a.k.a. Cherokee Bill—and a host of other intrepid men and women who marched into the wilderness alongside Chief Osceola, Billy the Kid, an...

A Kid's Guide to Latino History
More than 50 Activities
Valerie Petrillo

Summary
A Kid's Guide to Latino History features more than 50 hands-on activities, games, and crafts that explore the diversity of Latino culture and teach children about the people, experiences, and events that have shaped Hispanic American history. Kids can:
* Fill Mexican cascarones for Easter
* Learn to dance the merengue from the Dominican Republic
* Write a short story using "magical realism" from Columbia
* Build Afro-Cuban Bongos
* Create a vejigante mask from Puerto Rico
* Make Guatemalan worry dolls
* Play Loteria, or Mexican bingo, and learn a little Spanish
* And much more

Did you know that the first immigrants to live in America were not the English settlers in Jamestown or the Pilgrims in Plymouth, but the Spanish? They built the first permanent American settlement in St. Augustine, Florida, in 1565. The long and colorful history of Latinos in America comes alive through learning about the missions and early settlements in Florida, New Mexico, Arizona, and California; exploring the Santa Fe Trail; discovering how the Mexican-American War resulted in the ...

Voices of the American West
Meredith Ogilby, Corinne Platt

Engaging discussions with key people about issues that shape our Western lands and identity.

Summary
"...A collection of narratives and photographs that begins a dialogue about the convergence of past, present and future in our region."—Vail Daily

This documentary-style collection of photographs and narratives profiles a wide range of prominent figures of the West as they engage in candid discussions about the region and its identity. A diverse group of visionary men and women, they may differ in politics but remain united in their belief that the West requires inspired action if it is going to endure challenges posed by political, cultural, and environmental pressures. Allowing those on each side of the issues to speak freely, this important work tackles such topics as education, recreation, immigration, ranching, alternative energy, wildlife habitat protection, oil and gas extraction, urban development, and water conservation. Exemplifying photography and journalism at its best, Voices of the American West provides a panoramic view of today's evolving West. The collection features Terry Tempest Williams, Stewart Udall, Katie Lee, Dave Foreman, and many others.

Riding the Outlaw Trail  
(2nd Edition)

An Eye Classic

Simon Casson, Richard Adamson, Sir Ranulph Fiennes

Summary

Two men retrace the notorious pair's footsteps, covering thousands of miles of hazardous country on horseback and discovering how little has changed from the saddle in the last 100 years

Butch Cassidy and the Sundance Kid, the last of the legendary outlaws, were captured on daguerreotype, romanced in fiction, and immortalized on film by Paul Newman and Robert Redford. Simon Casson sets out on horseback to retrace the real-life footsteps of his boyhood heroes, covering 2,000 miles of the country's toughest and most treacherous terrain. Steeped in the lore of the Old West but lacking desert and mountain survival skills, Simon recruits ex-marine commando Richard Adamson. Together they grapple with hostile landscape, climatic extremes, vital supply shortages, and enormous personality clashes. Battling from one outlaw hideout to another and following trails sometimes only accessible by horseback, they are constantly taxed to the limit. In this dramatic account of their adventure, Simon and Richard also encapsulate the exciting and violent lives of the Wild Bunch 100 years ago, and provid...

Summary
I worked for 15 years for the U.S. Forest Service on the North Rim of the Grand Canyon and spent almost every weekend exploring the wonders of the American Southwest. My last trip was in the summer of 2017, to check and verify each recommendation in this book. This guide book is the second in a series called the "Best of the Southwest", and it is divided into two parts, featuring a 7-day and a 14-day trip out of the hub city of Salt Lake City, Utah. It covers a rather loosely defined geographical area of Eastern Utah that I call Canyonlands, and I will unlock the secrets of this magical part of America. Your journey will take you to wonderful places with exotic names: Flaming Gorge; Dinosaur National Monument; The Wedge and Buckhorn Wash area of the San Rafael River; Arches National Park; Moab; Canyonlands National Park; the Abajo and Manti-LaSal Mountains; unique Mormon towns like Monticello, Blanding, and Bluff; the San Juan River and Mexican Hat; the Goosenecks; the Moki Dugway; Muley Twist; Cedar Mesa and Grand Gulch; Natural Bridges and the infamous Bears Ears; White Canyon; the ...

American Birding Association Field Guide to Birds of Arizona
Rick Wright, Brian E. Small

Summary
Southeastern Arizona is a mecca for birders, famous among enthusiasts worldwide for its sky island mountains and its desert vistas—and for the rare birds that inhabit them. What is less well known is that the rest of our vast state, from the cool plateaus of the Four Corners to the blazing flats of the Colorado River, is equally rich: With more than 550 bird species on the official state list, Arizona—all of Arizona—offers birders, residents and visitors alike, an experience virtually unmatched anywhere else in the US. This new book will guide both novice and experienced birders to help identify the amazing diversity of bird life in the Sunset State. Crisp color photographs of birds in nature, authoritative text from an expert birder, and a handy portable trim size all combine to bring nature lovers a useful and beautiful guide to Arizona's most common birds.

Contributor Bio
Rick Wright leads birding and birds-and-art tours for Victor Emanuel Nature Tours. A widely published writer and popular lecturer on subjects from sparrow identification to French hummingbird collectors, Wright spent nine years living and birding in Tucson with his wife, Alison Beringer. They now live in northern New Jersey—when, that is, they and their chocolate lab, Gellert, are unable to get away to their beloved southeast Arizona. Brian E. Small has been a full-time professional bird and nature photographer for more than 25 years. He served as the Photo Editor for the American Birding Association’s membership magazine Birding for the past 15 years. Brian grew up in Los Angeles, graduated from U.C.L.A. in 1982 and still lives there today with his wife Ana, daughter Nicole and son Tyler.

Durango
A Novel
Gary Hart

A contemporary novel filled with scandal, controversy, and suspense, set in the small Southwest town of Durango, Colorado.

Summary
With a contemporary Western flavor and plenty of intrigue and suspense, Gary Hart's latest novel Durango brings readers into the world of the small southwest Colorado town as the close-knit community is rocked by scandal and controversy. As a drawn-out battle for water rights looms over the town, one of Durango's most eminent citizens, stoic former politician Daniel Sheridan, is implicated in a shocking transgression, forcing him to clear his name and resolve the contention that has weighed upon his hometown for decades. Drawing on the classic themes of loyalty, honor, redemption, and the land, Durango presents an unforgettable saga of the American west.

Gary Hart has been and continues to be one of America's great public servants for almost four decades, from his role in the 1972 McGovern campaign to his years as a visionary senator, from his leadership on national security matters before and after 9/11 to his contributions as a respected statesman on various issues. He is the author of several books, including The Thunder and the Sunshine: Four Seasons in a Burnished Life, as well as…

Rich People Behaving Badly
Dick Kreck

Summary
Take a trip back in time to revel in the scandal, murders, infidelities, financial misdeeds, and just plain bad behavior from Colorado’s past.
Public respectability does not always translate into tidy private lives, and our interest in the naughty behavior of the rich and famous will never be satisfied. Former Denver Post reporter Dick Kreck takes us back through Colorado’s history to show that the foibles of people—rich or poor—remain the same. Included are socialites such as Louise Sneed Hill, who created and ruled over Denver’s "Sacred 36" circle of society; Jane Tomberlin, who met and fell in love with a "prince" in an elevator at the Brown Palace Hotel; Irene Nolan, who cavorted late into the night with her family priest; and prominent Denver clubman Courtland Dines, who was wounded during a frolic with two silent-screen stars in his Hollywood apartment.

Contributor Bio
Dick Kreck retired from the Denver Post after thirty-eight years as an editor and columnist. He previously worked at the San Francisco Examiner and the Los Angeles Times. He is the author of six other books, including Murder at the Brown Palace: A True Story of Seduction and Betrayal and Smaldone: The Untold Story of an American Crime Family. He lives in Denver, Colorado.

The New Eldorado
The Story of Colorado's Gold and Silver Rushes
Phyllis Flanders Dorset

The classic overview of Colorado's gold and silver rushes. Forty years of boom and bust.

Summary
For forty years they flooded Colorado—gold diggers, silver miners, outlaws, gamblers, and pioneers—looking for another Golden Fleece. Colorado comes alive in this classic overview of the gold and silver rushes, where fortunes were won and lost. Phyllis Flanders Dorset has re-created a lusty frontier scenario of one of the most exciting chapters in American history. Crammed with colorful characters and unforgettable incidents, The New Eldorado races through lawless, thrilling, turn-of-the-century Colorado with the fascination of a novel and fidelity of scholarly history.

Phyllis Flanders Dorset is a freelance technical editor and the author of Historic Ships Afloat.

The Lost Aztiki Tribe and the Mysterious Cave of Gold
Edward Loffredo

Summary
Never heard of a Buffarillo? Why, it's a creature that's half-gorilla, half-buffalo, and all hero. In "The Lost Aztiki Tribe and the Mysterious Cave of Gold," Bob and his merry band of adventurers learn of an ancient lost tribe, a missing princess, and a legendary cave filled with unimaginable treasures. That's more than enough to start them off on a journey across the Western plains, but what they will find is not at all what they expect.

Contributor Bio
Edward Loffredo was born in New York City. He went into the Air Force at age 18, and his first station was in Cheyenne, Wyoming---imagine moving to Cheyenne after only knowing New York City! Ed's friends back in New York did not know that people in Wyoming drove cars, had electricity, watched TV, and such. So Ed, being the type of person that he is, started telling tall tales, and Bob the Buffarillo was born. Every time he went back to New York, the people there expected more stories, and the saga continues to this day. Ed spent twenty years in the Air Force and retired, but then he was bored, so he took the test for the Post Office and spent twenty years working there. He is finally in official retirement and can indulge full-time his passions, which are writing, singing karaoke, and acting. He is now doing all three in Denver, Colorado.

**Colorado's Thirteeners** *(2nd Edition)*  
*From Hikes to Climbs*  
Gerry Roach, Jennifer Roach

**Summary**

Although climbing Colorado’s 14,000-foot peaks has become increasingly popular in recent years for both state natives and visitors, many of the best climbs in the state are actually 13,000-foot peaks. With an even mix of hikes, scrambles, and climbs, as well as an average of almost four routes per peak, there is something for everyone in Colorado’s Thirteeners. This book includes accurate and user-friendly information on 59 major peaks in six mountain ranges; 202 routes on the major peaks; 71 routes on 71 additional peaks; 96 trailheads with detailed driving directions; distance, elevation gain, difficulty scale and effort rating for each route; and full-color, annotated illustrations.

**Contributor Bio**

Gerry Roach has climbed in dozens of states and countries, including 28 Alaskan expeditions, 10 Andean expeditions, and seven Himalayan expeditions. After climbing Mt. Everest in 1983, he became the second person to climb the highest peak on each of the seven continents. He lives in Montrose, Colorado, with his wife and climbing partner, Jennifer Roach. Jennifer Roach is an expert on Colorado’s mountains, who has climbed all of its Fourteeners, Thirteeners, and most of the Twelvers. She has led many Colorado Mountain Club and is also a coauthor with Gerry of *Colorado’s Lost Creek Wilderness*.

Hell on Wheels
Wicked Towns Along the Union Pacific Railroad
Dick Kreck, David F Halass

The Wild West was more than cowboys; it was also the raucous and unfettered railroad settlements that followed the tracks.

Summary
Overnight settlements, better known as "Hell on Wheels," sprang up as the transcontinental railroad crossed Nebraska and Wyoming. They brought opportunity not only for legitimate business but also for gamblers, land speculators, prostitutes, and thugs. Dick Kreck tells their stories along with the heroic individuals who managed, finally, to create permanent towns in the interior West.

Contributor Bio
Dick Kreck retired from the Denver Post after thirty-eight years as an editor and columnist. He previously worked at the San Francisco Examiner and the Los Angeles Times. He is the author of four other books, and lives in Denver, Colorado.

Patrick Roy
Winning. Nothing Else.
Michel Roy

Summary
Reveals the man behind the mask—the triumphs and failures of one of the greatest goaltenders in the history of hockey

In the early 1970s, a young Patrick Roy laced up his hockey skates for the very first time, like thousands of other kids. More than 30 years later, his indomitable will to win and his focus on being the very best brought him four Stanley Cups, three Conn Smythe trophies, three Vezina trophies, and many more individual honors. An incredible hockey talent who was instrumental in changing the very art of goaltending, Roy's success was driven as much by determination and perseverance as by talent. Patrick Roy: Winning, Nothing Else brings to life Roy's phenomenal career and unmasks his more mysterious personal side. Michel Roy, the father of this great sports legend, reveals what makes Patrick tick, taking us behind the scenes and into the family life of one of the greatest goaltenders of all time.

*Secrets of Latin American Cuisine*
David Michaels

**Summary**

Pablo’s Kitchen brings the authentic tastes of Mexican and Latin cuisine into your home with festive flair. All the Latin classics are here with traditional recipes with a modern touch.

Colombian born chef David Michaels shares stories and recipes that date back hundreds of years.

Taking recipes from his mother, his grandmother and his great grandmother, David has developed and recreated these delicious Latino dishes for the tables of today.

**Contributor Bio**

David Michaels is a Colombian born son of 3; after traveling to Bolivia he decided he needed a career to grow into and chasing an early career of becoming a Chef has led him to over 28 countries, living in 5 and learning the cultures of different foods. After his worldwide experiences he decided to put together his own Latino fast food business introducing healthy, fast food known as *Pablo’s Kitchen*. After an early start *Pablo’s Kitchen* took off and adapted to the online delivery and catering business. This brand has introduced Latino favorites like empanadas, Arepas, Ceviche and tacos to the masses.

Working in England, Spain and parts of Latin America, David collected effective ways of cooking honest food in an organised fashion while putting a big focus on Mexican and Colombian street food.

Latin food wasn’t easy to find outside of South America so David thought it was time to introduce Latin American style fast food to the bigger world via online platforms and word of mouth.

**Native American Modernism**

Art from North America

Peter Bolz, Viola König

**Summary**

Revealing a distinct modernism in North American art, this catalog focuses on the creativity of its Native American population, highlighting for the first time the extensive collection in Berlin’s Ethnological Museum. Ranging from the 1970s to the present, it traces the historical development of modern Native American art up to 1962, when the Institute of American Indian Arts was founded in Santa Fe, New Mexico. A detailed compilation of statements from Native American artists, renowned art historians, critics, and curators is featured, summarizing the North American perspective on the subject. Topics such as cultural self-determination and Native American involvement in World War II are addressed, and a chronicle of the important milestones in modern Native American art, detailed artist biographies, and a list of works on exhibit are also included.

Navajo and the Animal People
Native American Traditional Ecological Knowledge and Ethnozoology
Steve Pavlik, William B Tsosie

A fascinating insight into the Navajo tribe's spiritual relationship with carnivorous animals.

Summary
This text examines the traditional Navajo relationship to the natural world. Specifically, how the tribe once related to the Animal People, and particularly a category of animals, which they collectively referred to as the 'naatí' eetsoh - the "ones who hunt." These animals, like Native Americans, were once viewed as impediments to progress requiring extermination.

A Kid's Guide to Native American History
More than 50 Activities
Yvonne Wakim Dennis, Arlene Hirschfelder

Summary
Hands-on activities, games, and crafts introduce children to the diversity of Native American cultures and teach them about the people, experiences, and events that have helped shape America, past and present. Nine geographical areas cover a variety of communities like the Mohawk in the Northeast, Ojibway in the Midwest, Shoshone in the Great Basin, Apache in the Southwest, Yupik in Alaska, and Native Hawaiians, among others. Lives of historical and contemporary notable individuals like Chief Joseph and Maria Tallchief are featured, and the book is packed with a variety of topics like first encounters with Europeans, Indian removal, Mohawk sky walkers, and Navajo code talkers. Readers travel Native America through activities that highlight the arts, games, food, clothing, and unique celebrations, language, and life ways of various nations. Kids can make Haudensaunee corn husk dolls, play Washoe stone jacks, design Inupiat sun goggles, or create a Hawaiian Ma'o-hauhele bag. A time line, glossary, and recommendations for Web sites, books, movies, and museums round out this multicultura...

Native American History for Kids
With 21 Activities
Karen Bush Gibson

Summary
As the first Americans, hundreds of indigenous bands and nations already lived in North America when European explorers first set out to conquer an inhabited land. This book captures the early history of these complex societies and their 500-year struggle to survive against all odds from war, displacement, broken treaties, and boarding schools. Not only a history of tribal nations, Native American History for Kids also includes profiles of famous Native Americans and their many contributions, from early leaders to superstar athlete Jim Thorpe, dancer Maria Tallchief, astronaut John Herrington, author Sherman Alexie, actor Wes Studi, and more.

Readers will also learn about Indian culture through hands-on activities, such as planting a Three Sisters garden (corn, squash, and beans), making beef jerky in a low-temperature oven, weaving a basket out of folded newspaper strips, deciphering a World War II Navajo Code Talker message, and playing Ball-and-Triangle, a game popular with Penobscot children. And before they are finished, readers will be inspired to know that the histo...

**Spirit and Reason**  
The Vine Deloria, Jr. Reader  
Vine Deloria, Jr., Sam Scinta, Kristen Foehner

**Summary**  
*Spirit & Reason* is a collection of the works of one of the most important thinkers of the twentieth century—Vine Deloria, Jr. Author of such classics as *Red Earth, White Lies*, and *God is Red*, Deloria takes readers on a momentous journey through Indian country and beyond by exploring some of the most important issues of the past three decades. The essays gathered here are wide-ranging and essential and include representative pieces from some of Deloria's most influential books, some of his lesser-known articles, and ten new pieces written especially for *Spirit & Reason*.

Tellingly, in the course of reviewing his body of work, Deloria found much that he had written in the past remained current and compelling because "people have not made much progress in resolving issues." Whether disputing theories of religion and science, examining the problems of modern education, or expounding on our understanding of the world, Deloria consistently urges readers toward an intimate connection with the world in which we live. For those familiar with Deloria's works as well as those discovering him for ...

Frónteras: Dibujando las vidas fronterizas
Steven P. Schneider, Reefka Schneider, Norma E. Cantú

Summary
Featuring 25 drawings in charcoal, conte crayons, and pastels, this handbook pairs portraits of people who live and work along the U.S.–Mexico border with bilingual poems that have been inspired by each of the drawings. A testimony to the people of the Rio Grande Valley, these drawings and poems capture their spirit, their quest for happiness, and their struggles to overcome economic hardship. This remarkable book highlights characters such as the "young street musician," the "six-year-old street vendor," and the "wise woman with rings." Compassionate and aesthetically compelling, this record raises awareness about social and cultural issues associated with border life, such as education, literacy, and poverty, and fosters cross-cultural understanding.

Chasing Fenn's Treasure
One Woman's Insight into Forrest Fenn and His Poem
Cynthia Meachum

Summary
In 2010 former Santa Fe art gallery owner Forrest Fenn published his Memoirs in a book that contained a cryptic poem, that if deciphered correctly could lead a person to a treasure chest filled with gold nuggets, coins, and gems worth over a million dollars. Fenn says he hid the bronze chest full of loot somewhere in the Rocky Mountains north of Santa Fe in 2009 or 2010, and Cynthia has been searching in northern New Mexico for the elusive trove since January of 2013. This book contains some of Cynthia's favorite Fenn treasure search stories punctuated with color photos so the reader can vicariously join her and her Weimaraner dogs Emma and Molly as they travel from their home in Rio Rancho, NM to places like the Rio Grande Gorge, the Jemez Mountains, Taos, and the sleepy old-Western ski town of Red River. In addition, for the reader who may be interested in solving the poem and putting his or her own boots-on-the ground to search for the treasure chest, this book can be used as a guide to get a new searcher started. Included are four pages of Forrest Fenn quotes that may help decipher...

Contributor Bio
As a kid growing up in rural central Pennsylvania, I enjoyed the adventure of the great outdoors, camping with my family, reading mystery books, and solving puzzles, riddles, and logic problems. Most of my adult career was spent as an engineer in the semi-conductor business. My vacations consisted of traveling to the Rocky Mountains where I skied and backpacked. At age 40, my partner and dogs and I left Florida where I started my career in the semi-conductor business and moved to Albuquerque, New Mexico, where I continued to work until early retirement at age 61. I had been searching for Forrest Fenn's treasure in northern New Mexico for a couple years when time permitted but retirement gave me the time needed to search much more frequently; thus, as of summer 2017, I have been out looking for Fenn's treasure chest over 100 times. I often wrote a story about the day's search and often sent them to Forrest in an email or to Dal Neitzel to post on his blog The Thrill of the Chase. A couple years ago Forrest encouraged me to put my stories into a book. This book includes some of my favo...

**Answer Them Nothing**  
*Bringing Down the Polygamous Empire of Warren Jeffs*  
Debra Weyermann

**Summary**  
The compelling story of the struggle by law enforcement and activists to dismantle the Fundamentalist Church of Jesus Christ of Latter Day Saints (FLDS) is finally told. In 1953, when police raided the Short Creek compound of the FLDS, it soon became a political and publicity nightmare eventually costing the governor of Arizona his job. Thus began 50 years of skittish public officials turning a blind eye to heinous offenses such as child abandonment, kidnapping, statutory rape, and incest, as well as massive tax and welfare fraud. Warren Jeffs became the new FLDS prophet and president in 2002, and anti-FLDS activists watched in horror as he used his boundless authority and the resources of a tax-supported community to devastate thousands of lives on cruel whims. This exposé presents a detailed, chilling account of how a hostile, destructive group can manipulate the U.S. judicial system. It is a mesmerizing journey into one of the United States's darkest corners, a story that stretches over three states and deep into the history of the powerful Mormon Church.

**Ancient Wyoming**

A Dozen Lost Worlds Based on the Geology of the Bighorn Basin

Kirk Johnson, Will Clyde

**Summary**

Sponsored by a grant from the National Science Foundation to the Denver Museum of Natural History. Ever wondered what the ground below you was like millions of years ago? Merging paleontology, geology, and artistry, *Ancient Wyoming* illustrates scenes from the distant past and provides fascinating details on the flora and fauna of the past 300 million years. The book provides a unique look at Wyoming, both as it is today and as it was throughout ancient history—at times a vast ocean, a lush rain forest, and a mountain prairie.

**Through Early Yellowstone**

Adventuring by Bicycle, Covered Wagon, Foot, Horseback, and Skis

Janet Chapple, Ray Stannard Baker, Lee H. Whittles...

**Summary**

Honorable Mention, 2016 Foreword Indies Award in Travel

An anthology of entertaining accounts of travel through Yellowstone, this book takes readers back to 1871, before it was a tourist destination, through the time when autos were allowed into the park. The adventurers include an intrepid mother who posted the sign “Park or Bust” on her family's covered wagon, a strong cyclist and a hiker who traversed the whole park for fun, an expert guide on skis, and a New York horsewoman who presented park management with a plan for an interconnected circuit of bridle trails. Along with numerous historical photos and artwork, the book features a color gallery of watercolor paintings by Thomas Henry Thomas from 1884 and have never been seen outside of Wales.

Yellowstone Treasures (5th Edition)
The Traveler's Companion to the National Park
Janet Chapple

Summary

Winner, Silver Medal in the Travel Category, 2018 IBPA Benjamin Franklin Awards

This fifth edition of the popular guide to Yellowstone, the world's first national park, revises descriptions of the hot springs, geysers, and wildlife viewing spots. Mile-by-mile road logs document every approach to the park and every interior road. Through charts and explanations, readers learn of Yellowstone's campgrounds and facilities, geyser basins and the frequency of the geyser eruptions, and out-of-the-way hikes. Updates include descriptions of new lodgings, scientific information reflecting recent research, 65 new color photos, and revised maps. A field guide to the animals and plants, a selected reading list, and a 21-page index round out this comprehensive guidebook.
