Iran - Culture Smart! (2nd Edition)
The Essential Guide to Customs & Culture
Stuart Williams, Culture Smart!

Summary
Iran is rarely out of the headlines, and there is likely to be a rush of interest from tourists and investors if the provisional framework agreement reached in April 2015 is implemented, lifting most sanctions in exchange for limits on its nuclear program for at least ten years. Western fascination with Iran is nothing new. For centuries, foreigners have been entranced by a country that is quite distinct from all others in the region. Iran is home to one of the world’s oldest civilizations. Travelers have long been seduced by the echoes of the extraordinary ancient history contained in the word “Persia.” But Iran is also a modern society that is experiencing great change. Although it is still feeling the effects of the Islamic Revolution of 1979, social restrictions have loosened considerably in recent years. Strict Islamic rules coexist with an increasingly dynamic society driven by an overwhelmingly young population. Animosity toward the West at a political level sits side-by-side with a wholehearted welcome for foreigners as individuals. *Culture Smart! Iran* takes you beyond the clues...

Iran (5th Edition)
Persia: Ancient and Modern
Christoph Baumer, Helen Loveday, Fitzroy Morrissey...

Summary
Iran, or Persia as it was formerly known, has been of interest to outsiders for millennia. From the Greco-Persian wars of antiquity, through the rise and flourishing of Islam, to the age of European imperialist expansion in the East, Iran has been a central player in global history. Drawn by its strategic location along the Silk Road, ancient and distinctive culture and abundant natural resources, foreign diplomats, traders and travelers have been coming to Iran for centuries. The Islamic Revolution of 1979 and subsequent events put a strain on Iran’s relationship with the outside world, particularly the West, leading to sanctions and a decline in tourism and trade. Yet early in 2016 the Lausanne Accord over Iran’s nuclear program, and then national elections resulting in greater reformist representation in Iran’s Parliament have greatly increased the country’s attractiveness to outsiders, with travelers and business people once more setting their sights on Iran. The Guide offers visitors to Iran scholarly and readable introductions to:
- Zoroaster, Cyrus, Darius & Alexander
- Shi’a Is...

Bilingual Visual Dictionary CD-ROM (English–Farsi)
Milet Publishing

Summary
A resource for young learners, this series of bilingual visual dictionaries comes in a CD-ROM format to help children add to their vocabulary. Useful, everyday words are grouped into subjects so that children can focus on one set of related words at a time, while games such as word searches, jumbles, and matches help make learning fun. By clicking on a picture, users can hear the word pronounced in two languages, making this an ideal learning tool for both individual use and classroom settings.
