New Bilingual Visual Dictionary (English–German) (2nd Edition)
Sedat Turhan

Summary
Milet’s New Bilingual Visual Dictionary series provides an entertaining way for children to learn words in two languages. The dictionary features useful, everyday words that will help learners to build their vocabulary. The words are grouped by subjects, so children can focus on one set of related words at a time. The text is large and easy to read, and the vector illustrations are colourful, detailed and highly realistic.

Contributor Bio
Sedat Turhan is the founder and director of Milet Publishing and creator of TurkishBooks.com, which was the main distributor of Turkish books in Britain for more than 20 years. Prior to setting up his distribution and publishing companies, Turhan worked in education and youth support for the Turkish community in London.
German Audio Course
Collins Dictionaries

Summary
This German Audio Course is the perfect companion for vacations and business trips in Germany and German-speaking countries. It’s easy to use—fast, flexible and portable; easy to follow—just listen and speak; and easy to learn—no complex grammar. It teaches you key words for the most important situations and lets you expand your language through a variety of activities. You choose whether to focus on learning the essentials or to progress to some more challenging activities—so whether you’re a beginner, or you want to refresh and build upon your existing knowledge, you can become confident in German without even having to pick up a pen.

There is also information on how to use German in email or when making a phone call. 40,000 words and phrases, 60,000 translations.
Germany - Culture Smart! (2nd Edition)
The Essential Guide to Customs & Culture
Barry Tomalin, Culture Smart!

Summary
With the FIFA World Cup in its pocket Germany is feeling its social, political, and economic power once again. After organizing a successful World Cup in 2006 and winning it against Argentina in Brazil in 2014, Germany sees a note of confidence, even triumphalism, permeating the country. As a European leader committed to the success of the EU and the Eurozone, Germany is a leading driver of European affairs. It emerged from the recession of 2008 as the strongest economic power in Europe, and German manufacturing, product brand value, and exports are going from strength to strength. What are the implications of this new world confidence for German society itself? In the last few years we have seen East and West Germany come together socially and achieve a greater degree of economic balance as a long-term result of German re-unification. At the same time German society itself is internationalizing, with increased immigration and the adaptation of age-old values and attitudes to a multinational, multicultural era. Traditional attitudes of formality and rigid protocol in business are s...

Austria - Culture Smart! (2nd Edition)
The Essential Guide to Customs & Culture
Peter Gieler, Culture Smart!

Summary
Austria has produced some of the world’s finest composers, dazzled us with an imperial Baroque architecture, and led the way with groundbreaking psychoanalysis. It has taught us to waltz, defined what a real coffee house is, and given us one of Europe’s most popular winter playgrounds. All this from one small nation, roughly the size of South Carolina. Historically the country was a land of transit along the Danube route, and the meeting of Germanic, Mediterranean, and Eastern European peoples helped to shape the Austrians of today. They have turned their heritage and culture to good advantage, developed new high-tech industries, established relationships with their former Communist neighbors as well as their EU partners, and have enjoyed a small economic miracle. Culture Smart! Austria describes the real people in the picture postcard, offering key insights into everyday Austrian life and equipping you to discover for yourself the many qualities of this lively people.

Contributor Bio
After a long career in educational training in London, Peter Gieler became General Secretary of the Anglo-Austrian Society and editor of the UK quarterly Felix Austria.
Belgium - Culture Smart!
The Essential Guide to Customs & Culture
Mandy Macdonald, Culture Smart!

Summary
Culture Smart! provides essential information on attitudes, beliefs and behavior in different countries, ensuring that you arrive at your destination aware of basic manners, common courtesies, and sensitive issues. These concise guides tell you what to expect, how to behave, and how to establish a rapport with your hosts. This inside knowledge will enable you to steer clear of embarrassing gaffes and mistakes, feel confident in unfamiliar situations, and develop trust, friendships, and successful business relationships. Culture Smart! offers illuminating insights into the culture and society of a particular country. It will help you to turn your visit-whether on business or for pleasure—into a memorable and enriching experience. Contents include * customs, values, and traditions * historical, religious, and political background * life at home * leisure, social, and cultural life * eating and drinking * dos, don'ts, and taboos * business practices * communication, spoken and unspoken

Contributor Bio
Mandy Macdonald is an Australian writer, researcher, and editor living in Scotland. A graduate of Sydney and Cambridge universities, she specializes in E.U. cooperation with developing countries and gender equality and works for international and European governmental and nongovernmental organizations. She came to love Belgium by living in Brussels in the 1990s and continues to pay regular visits, not only in a professional capacity but also as an amateur musician and performer of Flemish Renaissance music.

Switzerland - Culture Smart! (2nd Edition)
The Essential Guide to Customs & Culture
Kendall Hunter, Culture Smart!

Summary
There is far more to Switzerland than beautiful scenery, chocolate, watches, faceless bankers, and spotless cities. The real Switzerland is full of surprises and anything but bland. This small, rugged, landlocked country at the heart of Europe has been a confederation since the first three cantons came together in a defensive alliance in 1291. Four national languages are spoken within its borders. Its present twenty-six cantons are largely autonomous and retain their individual characters. In this grassroots democracy real power lies with the people, who exercise it directly through frequent referendums. “Swissness” is, above all, a spirit of independence and of communal involvement. Although it is a model of peace and multicultural cooperation, with one of the highest standards of living in Europe, Switzerland’s prosperity has been hard-won. Historically neutral, it maintains a semi-detached relationship within the European Union. In 2014, a national referendum supported quotas on EU migrants. Despite the several hundred thousand EU nationals living and working within its borders, a...

Bilingual Visual Dictionary CD-ROM (English?German)
Milet Publishing

Summary
A resource for young learners, this series of bilingual visual dictionaries comes in a CD-ROM format to help children add to their vocabulary. Useful, everyday words are grouped into subjects so that children can focus on one set of related words at a time, while games such as word searches, jumbles, and matches help make learning fun. By clicking on a picture, users can hear the word pronounced in two languages, making this an ideal learning tool for both individual use and classroom settings.

Collins Easy Learning German – Easy Learning German Verbs (4th Edition)

Collins Dictionaries

Summary
The main section of the book consists of 200 fully conjugated verbs, regular and irregular, weak and strong. Each is self-contained in a full-page spread showing all the major tenses, clearly set out with pronouns. The tables also tell you if the verb is weak or strong and if it takes the auxiliary "haben" or "sein". New German spellings are included throughout. There is a special section on modal and auxiliary verbs, as well as an extensive introduction on the formation and use of tenses in German. A full alphabetical index of all the most widely used German verbs, cross-references the user to its basic model in the verb tables.
