**New Bilingual Visual Dictionary (English–Italian)**

*Sedat Turhan*

**Summary**

Milet’s New Bilingual Visual Dictionary series provides an entertaining way for children to learn words in two languages. The dictionary features useful, everyday words that will help learners to build their vocabulary. The words are grouped by subjects, so children can focus on one set of related words at a time. The text is large and easy to read, and the vector illustrations are colourful, detailed and highly realistic.

**Contributor Bio**

*Sedat Turhan* is the founder and director of Milet Publishing and creator of TurkishBooks.com, which was the main distributor of Turkish books in Britain for more than 20 years. Prior to setting up his distribution and publishing companies, Turhan worked in education and youth support for the Turkish community in London.

Italy - Culture Smart! (2nd Edition)
The Essential Guide to Customs & Culture
Barry Tomalin, Culture Smart!

Summary
Italy delights and stimulates with its magnificent cities and monuments, its stunningly beautiful landscapes, the glory of its art and architecture, the richness and variety of its food, the elegance of its design and fashion, and the vitality and charm of its people. Italian style and culture have been exported all over the world. What is it like at home? Almost ten years after the 2008 banking crisis, Italy struggles to maintain its standard of living, the stability of the currency, and its ability to provide jobs for its school leavers and university graduates, many of whom now leave to work elsewhere in Europe. In addition, the influx of refugees from southeast Europe and across the Mediterranean is putting pressure on both its security and its economy. How are traditional Italian society and politics changing to deal with these challenges, with its most famous political personality of the last ten years, the former prime minister Silvio Berlusconi, still apparently waiting in the wings? The Italians are the most European-minded of nations, having emerged from a long history of r...

Switzerland - Culture Smart! (2nd Edition)
The Essential Guide to Customs & Culture
Kendall Hunter, Culture Smart!

Summary
There is far more to Switzerland than beautiful scenery, chocolate, watches, faceless bankers, and spotless cities. The real Switzerland is full of surprises and anything but bland. This small, rugged, landlocked country at the heart of Europe has been a confederation since the first three cantons came together in a defensive alliance in 1291. Four national languages are spoken within its borders. Its present twenty-six cantons are largely autonomous and retain their individual characters. In this grassroots democracy real power lies with the people, who exercise it directly through frequent referendums. "Swissness" is, above all, a spirit of independence and of communal involvement. Although it is a model of peace and multicultural cooperation, with one of the highest standards of living in Europe, Switzerland’s prosperity has been hard-won. Historically neutral, it maintains a semi-detached relationship within the European Union. In 2014, a national referendum supported quotas on EU migrants. Despite the several hundred thousand EU nationals living and working within its borders, a...

**Slovenia - Culture Smart!**
The Essential Guide to Customs & Culture
Jason Blake, Culture Smart!

**Summary**
Slovenia seems closer to Austria or Italy than to its Balkan neighbors. The richest of the Slavic nation-states, it has an entirely Western tradition, having belonged in the past to the Roman Empire, the Frankish kingdom, the Holy Roman Empire, the Republic of Venice, the Habsburg monarchy, and the First French Empire. After the Second World War it became part of the Republic of Yugoslavia, before declaring independence in 1991. This extraordinary cultural legacy is what sets Slovenia apart, matched by an amazingly varied topography packed into a small area. Traveling toward the coast, you see changes in the landscape and in the architecture. This reflects both the natural and the historical variety: the Venetians built their buildings one way, the Austrians another. Slovenia's natural beauty is astonishing. Legend relates that when God was allotting nature’s bounty, he forgot Slovenia. His last-minute solution was to take bits of the best from other places: gorgeous Alpine ranges, the less craggy Pohorje mountains, the Pannonian plain stretching toward Hungary, hill after hill roll...

**Contributor Bio**
**Jason Blake** teaches in the English Department at the University of Ljubljana. Born and raised in Toronto, he has been living in Slovenia since 2000. In addition to a PhD in English literature, he has an MA in German, and before moving to Slovenia he spent over three years studying and working in Germany and Austria. He has translated widely from Slovenian (and less widely from German), primarily in the area of cultural studies. Among his published translations are five books, myriad articles, as well as over a dozen short stories by different authors. He is the author of *Canadian Hockey Literature*, and a book-length essay-writing guide that focuses on cultural differences between Slovenian and English writing. In 2007/2008 he worked as a language trainer preparing civil servants for Slovenia’s presidency of the European Union.
