**Pakistan - Culture Smart!**
The Essential Guide to Customs & Culture
Safia Haleem, Culture Smart!

**Summary**
Pakistan is a land with a unique history, formed by migrating peoples who have left their footprint in its diverse cultures, languages, literature, food, dress, and folklore. The country is besieged by bad news, but despite the political turmoil the everyday life of its people is more stable, rich, and rewarding than the media headlines would lead you to believe. A myriad local festivals and celebrations and a vibrant cultural life go unremarked. Pakistan has the eighth-largest standing army in the world and is the only Muslim-majority nation to possess nuclear weapons, but few know that it is also the home of two unique schools of art. This complex nation consists of various ethnic groups, each with its own individual cultures and subcultures, but which are unified by the common values of hospitality, honor, and respect for elders. Pakistani society has extremes of wealth and poverty, and daily life for most people is full of difficulties, yet everyone knows how to cope with crises. Creative and adaptable, Pakistanis are among the most self-reliant people in the world, bouncing back...

**India - Culture Smart! (3rd Edition)**

The Essential Guide to Customs & Culture

Becky Stephen, Culture Smart!

**Summary**
India's population of 1.2 billion is as varied and colorful as the spice markets of Old Delhi. Each region, caste, and community has its own culture, reflecting unique histories shaped by conquest, creativity, and religion, expressed in distinct languages, social customs, art forms, and expectations of life. Despite enormous recent political and economic change, in many ways India remains the same—a total sensory experience. The chaos and beauty of color and sound, the language shifts every ten miles, the household variations of spicy and sharp, sweet and sour, the insistent smells of everyday life lived very much in public, and the invasion of personal space will challenge the most experienced traveler. But it is in surrendering to your senses that you begin to embrace the essence of India and to understand its people. Indians live with paradox. Proud traditions and patriotism commingle with tensions and prejudices rooted in age-old rivalries. Ancient temples may be plastered with signs advertising the latest technologies. The rapid urbanization of the last century has given rise to...
