One More Song
Nicki Edwards

Summary
Can a city boy and a country girl find a way to be together? Harrison Baxter and Edwina Campbell lead completely different lives. Much has changed for Harry since he escaped his home town of Yallambah ten years ago, headed for the bright lights of the big city. Now he's the star of Melbourne's hottest musical, and feels more at home centre stage than anywhere else. Why bother going back to Yallambah to visit his parents when his father couldn't care less about his success? Meanwhile, nothing much has changed for Edwina in the last decade, which is exactly how she likes it. Eddie adores her career as a nurse and loves the Yallambah community - she can't imagine living anywhere else. And she could never leave her beloved grandparents, who raised her like their own daughter. She's not going to abandon them in their old age. Not for anything. So when Harry and Eddie bump into each other on one of Harry's flying visits home, their instant mutual attraction seems as pointless as it is intense. There's no way they could ever make it work. Or is there?

City of Pleasure
Paris Between the Wars
Alexandre Dupouy

Summary
After the austerity, horror, and bloodshed of World War I, France longed for joy, light-heartedness, and sexual freedom. Men and newly emancipated women alike rejected pre-war values and moral restraints. They embraced new lifestyles, and discovered a lust for extravagance, partying, and erotic experimentation that had the inter-war era known as the Roaring Twenties, or the "mad years," and Paris as the City of Pleasure. In this uncensored and fascinating photographic record of the period, historian Alexandre Dupouy pulls back the bedcovers on Paris's eye-opening erotic life, revealing the delights of its fetish scene, its licensed brothels and gay nightclubs, the first sex shop chains, erotic photography, pornography, and much more. This is an uncensored, titillating, and utterly fascinating look at the sexual excesses of the inter-war period in what was the world's most decadent city.

### The Poetry of Sex
Sophie Hannah

**Summary**

*We’ve been at it all summer, from the Canadian border to the edge of Mexico . . .*

Romance and poetry seem to go hand in hand but—implicit, explicit, nuanced or starkly frank—sex itself has long been a staple subject for poets. In fact a great deal of erotic poetry rejects the distinction. It’s hard to imagine a more fruitful subject for poets than sex, in all its glorious manifestations: from desire and hope, through disappointment and confusion, to conclusion and consequence. And little has changed over the centuries, as Sophie Hannah's anthology vividly demonstrates, from Catullus pleading with Lesbos to Walt Whitman singing the body electric. Moods and attitudes may vary but the drive persists as does the desire to write about it. Sophie Hannah’s selection ranges from ancient Rome to modern New York, from gay to straight, but her principle has been to go low on the sugar and high on the excitement. The result is a raucous, highly enjoyable anthology. From Shakespeare to Carol Ann Duffy, this book is essential reading for poetry lovers and romantics everywhere.

*The Salacious Secrets of Samantha X: Sydney's Top High-Class Call Girl*

Samantha X

**Summary**

Samantha X is not your typical hooker. She’s the wrong side of 35, has two kids, and counts dining at her local pizzeria as a wild night out. Career-wise, Samantha had it all: writing for Australia’s top-selling women’s magazines, appearing as a media expert on television, and traveling the world for the sake of a good story. But after a marriage breakdown, and with two kids, she turned her back on the media. Samantha decided to dust off her stilettos and work at Sydney’s most infamous brothel, where she soon became one of their most in-demand girls. Not only was she making great cash, but she was also privy to the real-life stories of her clients—irresistible to the journalist in her. How could she not keep a record of their salacious stories? She heard everything: from tearful married men confessing their secrets, to lesbian threesomes, to servicing the odd married couple trying to reignite their relationship. But while whoring can be lucrative and fun, it also comes with a hefty price, as Samantha soon finds out. The only problem is, can she kick her addiction to what she believes...

**Contributor Bio**

Samantha X started her career as a journalist for London’s tabloid press. After 13 years as a magazine writer in Sydney, Samantha decided selling her body was far more lucrative and fun, and the stories she heard from within the brothel’s walls were more fascinating than any story she’d covered.
Desire

Dr. Saida Désilets

Summary

Desire has a bad reputation, yet still remains a titillating subject.

Currently, most books on desire either focus on the latest research in the field of human desire or are more erotic and explicit in their orientation.

This polarized view on desire is also reflected within the greater collective of our society with the recent rise of the #MeToo movement and the outing of influential leaders. The time is ripe for the introduction of a new paradigm for desire.

In my book, I compare the impact of socially mandated desires on our living experience of fulfillment (or lack thereof) with the igniting and guiding force of our true desires. As such, I regard desire as an emerging, evolutionary force in our lives—to be both harnessed and trusted as our own unique compass.

I also share the possibility that desire is more like a symphony, appearing in our life as different types of desire songs: the Song of Eros, the Song of Rapture, the Song of Love, the Song of Procreation, the Song of Thriving, and the Song of Contribution.

Sex Shhh...!

Genesis 3:7 (NLT) ..... They Suddenly Felt Shame.....

Robert Budde

The intent of this book is to remove shame and bring an open dialogue for a wholesome and Godly, sensitive nurturing of sexuality, particularly to young males.

Summary

The intent of this book is to remove shame and bring an open dialogue for a wholesome and Godly, sensitive nurturing of sexuality, particularly to young males. It also addresses many subliminal messages that modern society uses to cause a devaluing of our boys and men. It is also intended to help men overcome their difficulties of communicating their heartfelt emotions at an intimate level. Even more importantly, lead them to the source of completeness, a covenant relationship with God Himself!

Contributor Bio

As a Christian what prompted me to want to write this book is seeing so many people get caught up in ungodly sexual situations. Knowing God made us sexual beings and the church seems to not Minister to these individuals, and hoping this book will be an encourage to them.

Personal Explorations of Sacred Kink

Each of these passages is shared from the heart, a glimpse into the intimate. Through their eyes we will dive deep and find new insights into: Catharsis. Clarity. Intimacy. Lust. Devotion. Passion. Beauty. Hope. Energy. Faith. Intention. Fear. Consent. Service. Openness. Suffering. Surrender. Connection. Sacredness. Desire. Forgiveness. Divinity. Epiphany. Love... and much more

In Bed with the Ancient Greeks
Paul Chrystal

Summary
From what the Ancient Greeks might have talked about in bed to women’s health and the intricacies of Greek marriage, Paul Chrystal shines a much-needed light on sex and sexuality in ancient Greece, one of the world’s most influential civilizations. This is a balanced, comprehensive and well-researched analysis of the many aspects of sexual desire and activity in the various Greek societies – from the Minoan civilisation, Athens and the other city states, to Sparta and Hellenistic Greece. It examines attitudes to, and the practice of, sex in Greek mythology, literature and real life; in love, marriage, and adultery; in religion and philosophy; in the visual arts; of sexual medicine and erotic magic; and the vocabulary of sex. A wealth of primary sources are called upon to provide evidence of the antics of the ancient Greeks

Celestial Girls
Stefan Soell

Summary
Stefan Soell has already thrilled a steadily growing international fan base with his photo books Alpenglühn, Bavarian Landlust, Carisha, Volcanic Girls, and Waldlust. The fresco painters of antiquity and the Renaissance were masters in the representation of dimension and perspective, and provided the inspiration for Stefan Soell's Celestial Girls. Photography is additionally able to enhance the skill and artistry of the frescos, and the effect is amazing. Powerful light from the side shapes and forms the models' figures, enabling the finest details and structures to be revealed. When selecting models, Stefan Soell is particularly choosy. We are amazed at how he always manages to find girls with extraordinary character and natural charisma. In addition to Susann, Zoi, and Carisha, his well-known muses, about 30 other ladies grace this volume, many of them new. They are all of them Celestial Girls, so why not let yourself be very pleasantly charmed by their supernatural beauty?

**Elysium Girls**
Stefan Soell

**Summary**
Like virtually no other photographer, Stefan Soell is a master at capturing extremely explicit erotic images in an astonishingly imaginative and aesthetic way. Often accompanied by a touch of humor and a wink of the eye, his models switch between innocence and excitement, physical attraction and cool distance. This is precisely what pleases men, and fills the pages of his latest book, with a powerful sexual charge. Where on earth does Soell get these girls? In addition to some of his favorite models, the new volume contains some mainly new and sensationally pretty creatures (25 in all). In the classical mythology of the ancient Greeks, Elysium was a paradise, located between this world and the one to come. While browsing through the book, you do not need to be a Greek hero to get a kick out of these daughters of Elysium.

Roy Stuart

**Summary**

Since the creation of *The Lost Door*, his full-length feature film, Roy Stuart has continued to augment contemporary photography with his unique rhythm and voice. In a time when video dominates, still photography is no longer isolated. Instead, its immediacy is part of a stream where the image invokes a before and after, compressing and magnifying its power. Beyond the need for captions, a photograph must break free of its limitations and evolve, revealing a third dimension, able to express words, poetry, or even music. The DVD that accompanies the book of photographs is much more than just a free gift. It is a true extension of the work, and invites you to reexamine it, questioning its limitations and unexplored possibilities. It contains sequences from Roy Stuart’s GLIMPSE series, and clips from his photo shoots, accompanied by music and occasional text. The DVD represents an alliance between photography and video, providing a vision of what erotic art is, as opposed to the porn industry, which merely clutters up the Internet with junk. Please note that the DVD carries both NTSC and...

**Modern Urban Girls**
Stefan Soell

**Summary**
"No more romance," said the renowned erotic photographer Stefan Soell, after enjoying great success with his two lavish photographic volumes entitled *Alpenglow* and *Volcanic Girls*. A completely new, modern style of portraying the nude was required, and Stefan has once more succeeded convincingly. He searched for the right type of woman to match his vision for three long years, finally settling on something between the young, successful, cool businesswoman and glamorous movie star. Oozing beauty, of course, fantastically built, with a confident, cheeky appearance, and unashamedly flaunting their sex appeal. Soell has discovered more than 16 completely new, never-seen-before faces, and managed to fit all their glorious nudity into the unprecedented environment of finest, ultra-modern, minimalist architecture. The contrast between the wonderful, warm skin tones, sensual body shapes and the cool, modern architecture could not be greater, and the very unusual combination of hot eroticism and cool design increases the attraction of this volume of photos immensely.
Moon
Mallock, Gueritot

Summary
The two halves of the female buttocks have been irresistibly attracting both men's hands and eyes from time immemorial. When our eyes caress these twin planets, we men give them an imaginary pat. But if these divine curves are photographed, it is a tribute, and an irrepressible desire to try to make human bottoms, these seductive masterpieces, immortal. Thus, a considerable collection has been created, a sharp “book of bottoms” with observations in all sorts of styles and variations, practically anything photographable. Looking forward to seeing the next one, the connoisseur turns the page. When Moon was published “How do they work together?” was the most frequently asked question. Well, Guéritot shoots the photos, and Mallock transmogifies them. Guéritot, a brilliant horse rider and polo player, is skilled at capturing one moment in time, and the beauty of natural things. After female beauty, he tries to capture the live emotion of the horse. He succeeds so well in melting into the background, and making his models feel so relaxed, that all the girls who posed for him for Moon i...

**Pussy Mania**

Martin Sigrist

Summary

Often referred to poetically as the "delta of venus," this mysterious, triangular-shaped area, nesting by the female crotch is what doubtless attracts virtually every man (and also many women) more than any other! What is it about the look of a woman’s pussy, as it is affectionately called, that is so fascinating? In our topless age, why is this most feminine of all forbidden zones still strictly shielded from prying eyes? Who knows, who can say? However, it is common knowledge that nothing inspires erotic imagination more than this yummy triangle, which attracts voyeuristic looks as magically as the Bermuda Triangle attracts ships and aeroplanes. The incredible variety of shapes and colors, both inside and outside, featuring everything from bold hair styles to naked hairless pleasure, is simply breathtaking. It is almost as if the pussies are before our very eyes, glistening slightly, and we are virtually able to inhale their seductive scent or taste it; these pussies have been very skillfully photographed to set them off in the very best light. Enjoy! Didier Carré, Ludmilla Foblov...

Summary
"The impression of the image upon the viewer is the most important element for me, whether sensuous or erotic, it doesn't matter, the image is intended to capture the viewer. Therefore it's not much of a difference to me. I blend a variety of techniques because the original photograph itself doesn't offer enough possibilities." —Stefan Gesell

Rod Berry mainly lives in eastern Germany and has been doing erotic photography for several years. Rod likes to experiment, and strives to capture the perfect blend of voyeurism and exhibitionism. His work stimulates the imaginations of model, photographer, and viewer in all sorts of different ways, because the biggest erogenous zone of all is the one inside our heads. Rod Berry prefers to work with confident young ladies, conscious of their femininity and erotic presence, the "right stuff" that turns men on so strongly. His intimate, direct, but aesthetically satisfying images leave nothing to be desired . . . his models are often seen trying out new, unknown erotic toys, which for many of them is a new and exciting experience. The Small Way
Onjana Yawnghwe

Summary
What strange gravity draws two people together? What pulls them apart?

In *The Small Way*, a woman re-evaluates herself and her marriage as she comes to terms with a spouse's transition. Intimate and powerful, the poems celebrate the courage of a partner coming out as a trans woman and records the confusion in facing a partner's changing gender identity. Speaking to the tenderness that exists between two people, the book explores shifting bodies and changing emotional landscapes, and examines what it really means to love someone. The poems reside in the stillness of two bodies and in the intersection between time and grief. *The Small Way* is a passionate record of love and loss, and a naked exploration of vulnerability. The book is an elegy to love and memory, a chronicle of holding on and letting go.

From Me to You
U.A. Fanthorpe, R.V. Bailey, Nick Wadley

Summary
U. A. Fanthorpe and R. V. Bailey write: 'Wordsworth speaks of the spontaneous overflow of powerful feelings. This seems an apt description of these love poems. They are not important resonant pieces of writing: they simply happened when one of us felt like writing to the other, quite often when one of us was away from home. Some of them coincided with Valentine’s Days or birthdays, but that was more a matter of good luck than foresight. Quakers, rightly, maintain that Christmas Day is only one important day of all the 365 important days of the year. It’s the same with love poems: they are appropriate at any time, and can be written, incidentally, to dogs, cats, etc., as well as humans. No room for Cupid. [...] The pleasant thing about writing such poems, apart from having someone to write them for, is that there is no particular restriction as to subject matter. In Christmas Poems, U.A. felt the draughty awareness of the diminishing cast of subjects, from donkey to Christmas tree. With love, on the other hand, the sky’s the limit.'

**Nothing Like Love**

Jenny Joseph

**Summary**

Jenny Joseph is known mainly as the author of ‘Warning’, her internationally renowned dramatic monologue in which a middle-aged character talks of her fantasies of old age. But when Jenny was first published in the 1950s she was most admired for the wit of her precision with words in service to a memorable lyric style. Over the more than 60 years in which she has been exploring a wide range of literary forms, new ways of telling stories in prose and verse, introducing cadences of common speech into the lyrical movement of her verse, creating characters who tell their own stories, she has always written what she thinks of as ‘songs’. For this new book she has brought back some of those best-loved early love poems to make an entirely fresh combination with previously uncollected poems, and some very new poems published here for the first time. This new collection shows that Jenny Joseph’s ability to convey the experiences of a ‘thinking heart’ is in no way diminished.

**Contributor Bio**

Jenny Joseph was born in 1932 in Birmingham. She was a scholar at St Hilda’s College, Oxford, and has been a newspaper reporter, a pub landlady, and a lecturer. She was first published by John Lehmann in the 1950s. The Unlooked-For Season (Scorpion Press, 1960) won a Gregory Award; Rose in the Afternoon (Dent, 1974) the Cholmondeley Award; and Persephone (Bloodaxe, 1986), the James Tait Black Award.

New And Selected Poems

Leland Kinsey

**Summary**

Leland Kinsey’s much-anticipated new and selected poetry collection, *Galvanized*, ranges from Kinsey’s home in the rugged mountains of northern Vermont to the towering stone lighthouses and highland shielings of his ancestors’ Scotland. Drawing from seven previous, acclaimed collections, and with more than twelve new poems, Kinsey takes us with him on his travels to the brawling rivers of Labrador, the slopes of Kilimanjaro, the wheat fields and dinosaur digs of Alberta, and the ranchos of the Tex-Mex border.

With precise and original images – the Egyptian mummies used to stoke the furnaces of 19th-century steamships; the hardwood timbers of Swahili sailing freighters dating back three thousand years – Kinsey carries us deep into human history and into the natural world we were once all intimately a part of. With him, we visit the rough, country ballfields and raw girlie shows of his youth, and experience the endlessly fascinating intricacies of the work he’s done, as a farrier, printer, horseman, dairy farmer, teacher. In language so exact and powerful it appears to be galvanized i...

Swimming Through the Grand Hotel
Judith Kazantzis

Summary
This sixth collection follows Judith Kazantzis’ much praised Selected Poems. Sensuous, worldly and intuitive, its poems are at home in widely differing landscapes, united by a rich interior exploration. They trace the sorrows and delights of different kinds of love through landscapes of America, Europe and Israel. Lover, father, daughter; the mythical Psyche herself lamenting Eros, a Nepalese immigrant on the edge of deportation, all these figures, real or imagined, take us to a series of poems on religious and racial persecution that culminate in her eloquent and lyrical essay on Israel/Palestine, ‘The Named Land’. This is poetry of passion transcribed with skill and care.

Born in 1940, Judith Kazantzis is a Londoner of Irish-English parentage. She has published five collections and her Selected Poems 1977-92 (1995). One Still Thing
Nell Regan

Summary
Poet Nell Regan explores heart and landscape in this century and the last, from Santa Fe to Celbridge, from Cork to the banks of the Mississippi, and from Paris to San Francisco. The book opens in urban and rural landscapes in contemporary Ireland and further afield, building to the sequence “Thirty-Six Views of the Sugarloaf,” prompted by Hokusai’s Fuji woodcuts and capturing transitory moments occurring around and on this iconic Wicklow mountain. At the center of the book is “Passage,” the story of the migration of an early 20th-century Irish woman to the United States. From the Federal Gold Reserve to a shell factory in Iowa, tragic conflicts of work, love, and fate take place. The final section is formed by a series of love poems which celebrate and chart the early months of a new relationship and turn on possible, imagined futures.

Throughout the collection, changes in the material properties of glass, stone, tree, and rain parallel transformations in the human body through illness, vocation, and fertility, as geographic and emotional territories find points of contact and excha...

**Gothic Tales of the Marquis de Sade** *(4th Edition)*

Marquis de Sade, Margaret Crosland

**Summary**

*A collection of de Sade's stories utilizing gothic conventions and questioning sexual and societal mores*

The notorious author of pornographic novels and a sexual pervert who spent much of his life in prison and whose name was unmentionable in civilized circles, only in recent times has the Marquis come to be seen as misunderstood-essentially a moralist, his exploration of the so-called dark side of the human psyche remains as relevant to our society as it was to his own. This collection will provide an excellent introduction to Sade's fiction; these accessible stories range from the dramatic novella *Eugenie de Franval*, in which a father's criminal passion for his daughter leads to intrigue, abduction, and murder, to comic tales such as *The Husband Who Plays Priest*, concerning a lecherous monk who finds an ingenious way to combine clerical duties with secular pleasures. De Sade's gift as a humorist are much in evidence, as is his particular delight in unusual marital situations-which invariably lead to the most diverting conclusions.

The Evolution of Women's Sexual Fantasies  
Emily Dubberley

**Summary**  
A provocative new collection of women's sexual fantasies for the *Fifty Shades* generation

Female sexual fantasy began in 1973 with Nancy Friday’s multi-million-selling collection of real women's fantasies, *My Secret Garden*. Until that book was published, female sexual fantasy did not exist; not even within the pages of *Cosmopolitan*, their opinion at the time being: "Women do not have sexual fantasies, period. Men do." Friday’s book changed all that. Now, 40 years after Friday’s masterpiece, leading sex writer Emily Dubberley is curating a brand new female fantasy classic for the modern era. It’s a post-*Fifty Shades*, post-*Sex and the City* world, and in *Garden of Desires*, hundreds of real women share details of their most private thoughts. This is an exploration of the meaning of desire. Dare to read, dare to dream, and dare to discover the new truths of female sexuality. The stories are red hot, completely original, and they’ll make your heart beat faster.

*Or The Nun in Her Chemise*

L'Abbe du Prat, Matthew Sweet

**Summary**

A 1638 work of erotic fiction features nun-to-nun dialogues in the sexual arts

"Is it right that a girl so accomplished be seclude d as you are? No, no, my child, I want to share with you my most secret habits, and to give you a true notion of the deeds of a wise nun."

This landmark erotic novel salaciously presents the education, one might say indoctrination, of green Catholic nun Sister Agnes at the hands of her more experienced cohort Sister Angelique. Religious demystification coincides with sexual awakening in a scurrilous work which stands as a precursor to those of authors such as the Marquis de Sade.
